

Guillotine 560

- Compact, entry-level guillotine for hobby use
- Sturdy solid metal table with rounded edges and non-slip rubber feet for firm standing
- Practical recessed grips
- Helpful format lines on the base with mm division along the cutting edge make aligning the material to be cut even easier
- Ergonomically shaped handle
- Ground upper blade made of hardened Solingen steel bolted to the solid steel blade holder
- Bolted lower blade of ground and hardened Solingen steel
- High-quality blades made of Solingen steel
- Sturdy, solid-steel blade holder for optimum guidance of the screw-mounted upper blade
- Transparent blade guard for cutting safety and unobstructed view of the item being cut
- Manual clamping for holding down the material being cut
- Two scale bars with mm scale for an exact 90° cut
- Adjustable backstop for quickly finding the right format – can be used on both scale bars

| Suitable spare parts | Back stop Dahle 611 |

*The indicated sheet capacity for cutting machines is due to standard paper weight of 80 gsm but is still subject to texture, quality and state of paper. All of such information is based on the general formula 10 sheets = 1 mm stack height and may only be used as an aid to orientation for the selection of the cutting machine.
